

ISO 45001:2018 Highlights Training Course Details

August 24, 2022

Overview

The ISO 45001:2018 Highlights self-paced training course, created and presented by Mireaux Management Solutions, provides a brief review of the main concepts and requirements of the ISO 45001:2018 Occupational Health and Safety Management System standard.

Learning Objectives

Attain broad knowledge and understanding of the main concepts and requirements of the ISO 45001:2018 Occupational Health & Safety Management System standard to facilitate the journey to implementation.

Prerequisites

The ISO 45001:2018 Highlights self-paced training course does not have any prerequisite courses. For individuals with little or no previous knowledge of ISO 45001 or Health and Safety Management Systems, who would like to maximize their knowledge; we recommend Mireaux's ISO 45001 Implementation or Internal Auditor courses, provided by Mireaux via [Live Stream](#).

Summary Agenda

A brief overview of the following topics is included:

- Clause 4: Context of the Organization
- Clause 5: Leadership and Worker Participation
- Clause 6: Planning
- Clause 7: Support
- Clause 8: Operations
- Clause 9: Monitoring, Measuring, Analysis and Improvement
- Clause 10: Continual Improvement

Training Methods and Materials

This course is delivered [Online](#) and is [Self-Paced](#). The average duration of this course is 1-2 hours depending on your pace.
