

# API Q1 10th Edition ‘Transition’ Training Course Details

October 20, 2023

## Overview

Created by American Petroleum Institute’s API-U division, the API Q1 10th Edition ‘Transition’ course, highlights the updates in the new API Specification Q1 10th Edition: Quality Management System Requirements for Organizations providing products for the Petroleum and Natural Gas Industry.

This course is distributed solely by authorized training providers such as Mireaux Management Solutions. Find [Mireaux](#) on API’s official website.

## Learning Objectives

Attain knowledge and understanding on the updates from the API Q1 9<sup>th</sup> Edition Addendum 2 Errata 3 to the API Q1 10<sup>th</sup> Edition standard.

## Prerequisites

The API Q1 10th Edition ‘Transition’ training course is geared for individuals with ample knowledge of the previous API Q1 9th Edition Addendum 2 Errata 3 version. For individuals with little or no previous knowledge of API Q1 or Quality Management Systems, we recommend taking [API Q1 Fundamentals or Practitioner training courses](#) provided by Mireaux.

## Summary Agenda

- The topics in this course include:
- Title and Scope Update
  - Reference and Definition Changes
  - Clauses Removed Entirely
  - Clauses Replaced
  - Clauses Added
  - Clauses Changed/Modified for Clarification

## Training Methodology and Materials

This course is instructor-led and delivered via **Live Stream**. Participants attending the class will need the following tools to effectively complete this course:

- Computer or laptop with software or operating system compatible with MS Teams
- Audio and Visual equipment (i.e., webcam, microphone, headset, etc.)
- Strong Internet Connection

As per API-U mandate, this training course does not provide training materials. Participants are encouraged to have a notepad or electronic device in which to take notes.

## Certificate

A Certificate of Completion is provided to all participants upon successful completion of the course.
