

API-U Auditor Fundamentals Training Course Details

November 10, 2024

Overview

The API-U Auditor Fundamentals training course teaches the principles of being an objective-based auditor and the basic requirements for planning and conducting Internal Audits.

This course, accredited by IACET, was created by the American Petroleum Institute (API) and is distributed solely to authorized training providers such as Mireaux Management Solutions, under royalty contract agreement with API. Find [Mireaux](#) on API's official website.

Learning Objectives

By the end of the course, participants should have attained knowledge and understanding of the following concepts:

- Roles, responsibilities and conduct of Internal Auditors
- Establishment of an Audit program
- Planning and execution of Internal Audits
- How to write clear nonconformities and effective Internal Audit reports

Prerequisites

The API-U Auditor Fundamentals training course does not have any prerequisite courses.

For individuals with little or no previous knowledge of management systems who would like to maximize their knowledge; we recommend Mireaux's Fundamentals of Document Control class as a preamble and introduction to management systems.
